The Wisdom Of The Saints - Faith

"Not the goods of the world, but God. Not riches, but God. Not honors, but God. Not distinction, but God. Not dignities, but God. Not advancement, but God. God always and in everything."

St. Vincent Pallotti

We strive to be the living presence of Jesus Christ in our community life, our worship of God and forming our children and adults in the Catholic Faith. We, as a parish, believe in good stewardship of what God has given us by sharing our gifts of time, talent and treasure with others.

WHAT IS ORDINARY TIME?

Ordinary Time is the season of the Church year when Catholics are encouraged to grow and mature in daily expression of their faith outside the great periods of penance of Advent and Lent.

Ordinary Time is a time to deepen one's prayer life, read the Scriptures, unite more deeply with the Lord in Eucharist, and become a more holy and whole person.

Ordinary Time is a period when average people like you and me strive to become the extraordinary messengers of the Gospel that we have been commissioned to be through our Baptism.

Ordinary Time is this day. Now. (cont. in next bulletin)

What is a Mass Intention? *Whenever a priest celebrates Mass, he has at least two specific intentions. The first intention is to celebrate the Mass according to the rubrics the Church provides for how to say the Mass. The second is to apply the grace of that Mass toward a specific need or intention. A Mass intention is a specific petition for which the Mass is offered. Mass intentions can be requested on behalf of another living person—for example, the healing of someone who is sick—or to commemorate a wedding anniversary. However, Mass intentions are most commonly offered in remembrance of a person who has died.*

We don't "pay for Masses," because we cannot possibly afford it, since the value of the Holy Sacrifice of the Mass is infinite. But it's good for the faithful to request a Mass for a specific intention and at the same time to make an offering to the priest to help support him. The usual stipend for the priest is \$10.

If you would like to offer a Mass intention for friends, family or a loved one, please call the office. 303-838-2375

QUIZ: Born in France, this Jesuit Priest was a missionary to the Native Americans. The Mohawks captured, enslaved and tortured him beyond the power of natural endurance, yet he continued to preach the Faith to anyone who would listen. He eventually escaped and returned briefly to Europe before going back to America. Though originally well received upon his return, he willingly entered hostile territory where he was beheaded. In part of what is today New York State. (Answer somewhere else in bulletin)

THE STARS SPEAK GOD'S GLORY

Reflect

The natural world can speak to us about God when we pay attention. The earth, sea, and sky can all manifest God's glory to us and reflect God's love. "The heavens declare the glory of God." (Ps 19:2)

Pray

God,
I know you are infinite, and infinity is a concept I can't even grasp.
Next to you, I am small, but I am not insignificant.
As vast as the stars in the sky are the number of people you love,
and even though I am only one of them, you know me.
You see me. You love me.

Act

Stand outside this evening and reflect on the night sky. What does God want to say to you through the stars? What do you want to say to God? (franciscanmedia.org)

Ten Principles Of Civil Communication:

Defending the Faith without Raising Your Voice—and Losing Friends (cont. from previous bulletin)

Whether around the family table, the office water cooler, the neighborhood barbecue, or even on Facebook, we can remove obstacles to evangelization, to the sacraments, to Christ. We can defend our Catholic faith without raising our voices.

- 3. People won't remember what you said as much as how you made them feel. Aim for civility, empathy, clarity, and kindness in faith conversations. Try to use simple words to explain complex ideas and keep overly theological language to a minimum.*
- 4. Show, don't tell. Stories are compelling. Work with what you know. Think of yourself not as a spokesman of a remote corporation, but as a delighted disciple with stories and experiences to share!*

My son asked me what it is like to be a parent. So I woke him up at 2AM and told him my sock came off.
